

ALWAYS PROTECTED NO MATTER WHERE YOU ARE

A SOLUTION THAT PROTECTS YOU INSIDE AND OUT!

INSIDE

- Discreet panic button at your fingertips.
- Indoor positioning for fast assistance.
- Mountable wireless panic buttons for receptions and meeting rooms.
- Fast alarm handling ensures a rapid response.
- Low energy technology provides extended battery life.

OUTSIDE

- Wearable ID card holder provides safety with discreet panic button.
- Discreetly push the button to call for assistance.
- Uses your existing smartphone to transmit the alarm to call for assistance.
- Your GPS position will be displayed to the response team.

ASSISTANCE

- Your colleagues can receive your distress alarm on their smartphone to assist you.
- Alternatively a manned alarm control centre can receive your alarm and dispatch guards.
- They will know your exact location for effective rapid response.

"No matter where you are located ZONITH staff safety solutions will safeguard you."
